

CARING FOR EVERY CITIZEN

Providing Stainless Steel Benches
at Railway Stations

NEED FOR BENCHES AT RAILWAY STATIONS

▶ Seating arrangements at Railway stations considered essential, specially for

- ◆ Elderly People
- ◆ Ladies with Smaller Kids
- ◆ Divyangjan
- ◆ Persons Suffering from Any Illness
- ◆ People Waiting for Longer Time Duration

▶ Ever growing rush at railway stations also necessitates demands for comfortable seating arrangements at stations

STAINLESS STEEL BENCHES AT RAILWAY STATIONS

- ▶ Railways intends to procure one lakh stainless steel benches, to be funded by CSR
- ▶ Choice of stations and number of benches can be indicated by interested Organisations and the same shall be considered by the Railways depending on availability
- ▶ Centralised Procurement by Railways considering RDSO drawings for the stainless steel benches

ADVANTAGES OF STAINLESS STEEL BENCHES

- 
- ▶ Weather Resistant
 - ▶ Extremely Durable-Resistant to Rust, Splinter or Crack
 - ▶ Aesthetically Designed and Comfortable contoured seats
 - ▶ Maintenance Free
 - ▶ Easy to Clean

Uniformity / Similarity in appearance and design of steel benches across all Railway Stations, will also enhance Station aesthetics

TYPES OF STEEL BENCHES TO BE PROCURED
